

VALUES STATEMENT

Ocean View Presbyterian Church, guided by Scripture, keeps Christ as the center of our thought and action. We value worship as the central act of this congregation. We have a commitment to continue learning through theological inquiry and biblical study, with the freedom to question. We care about each other in times of laughter and sorrow and trust in God's grace. We believe in reaching out as a community to help others and to share our faith in Jesus Christ. (Session, May 5, 2008)

MISSION

Ocean View Presbyterian Church (OVPC) exists to fulfill Christ's mission in the world. Our church is dedicated to the mission described in our denomination's *Book of Order* that states:

The church participates in God's mission to the world through its ministry and worship . . .

The church in its ministry bears witness to God's reign through the proclamation of the gospel, through works of compassion and reconciliation, and through the stewardship of creation and of life. Signs of God's reign are also manifest in the world wherever the Holy Spirit leads people to seek justice and to make peace. (W-5.0301)

We strive to fulfill this mission through our worship, Christian education, support of missions, community service, and our facilities which we share with individuals and groups within our community. Regarding the latter, we see our church facilities not as our own, but as a gift from God to use as a means of fulfilling Christ's mission and communicating Christ's love and compassion for the world.

RULES AND REGULATIONS

The following are the rules and restrictions pertaining to the use of the church's facilities. Persons and groups using our facilities should keep in mind that this is a church, thus a place in which reverence is to be shown. It is also expected that persons and groups using our facilities will abide by our rules in the spirit in which they are intended. Please care for this facility as if it were your home.

Insurance – Although the church carries property and liability insurance, we require groups using our facilities to carry their own insurance to protect themselves and their guests. A certificate is requested at booking.

FACILITIES

The main facilities at OVPC consist of the Sanctuary, the Fellowship Center, and Memorial Hall. All are handicapped accessible. Wi-Fi is available in all buildings.

Sanctuary – The Sanctuary is a charming structure built around the turn of the last century. The interior is divided by a center aisle about four feet wide and 41 feet long, running to the chancel. Handicap access is afforded by an exterior ramp. The Sanctuary seats approximately 135 people.
